PROPERTY DESCRIPTION

Majestic Italianate Victorian Estate featuring a large 4 bedroom, 2-1/2 bathroom Mansion with a separate 2 bedroom, 1 bath Guest/Carriage House.

Originally built in 1872, completely from old growth redwood, both homes were meticulously restored in 2000 with high-end finishes including; crown molding, box-beam ceilings, 3 marble fireplaces, radiant heated wood floors, gourmet kitchens with high-end appliances and marble countertops, and period details throughout.

The master bedroom features stunning views, direct access to a huge balcony that spans the full width of the veranda, a vintage marble fireplace, and a large bathroom with an extra-large pedestal bathtub.

With a commanding position over the Monterey Bay both homes have panoramic ocean views from Pacific Grove to Santa Cruz and valley views of the beautiful organic farmlands, flower and heather fields.

Set on four and a half acres, with a commanding position over the Monterey Bay, both homes have panoramic ocean views from Pacific Grove to Santa Cruz and valley views of the beautiful organic farmlands, flower and heather fields.
